

# Connecting With Your Students Effectively

By  
Dr. Mohammed Sadiq

A whole day workshop for teachers

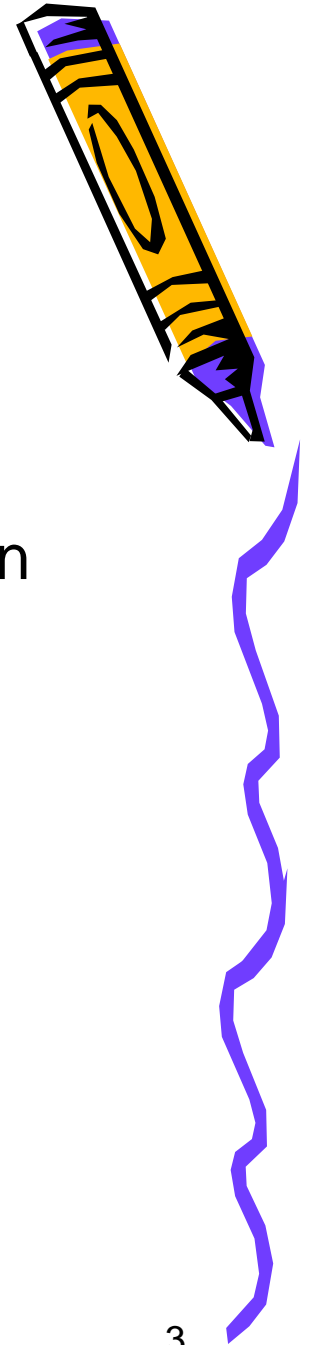

This program is designed for the teachers to learn to relate to their students effectively. The following is an outline of the topics the program will cover. The objectives are self explanatory from the topics.

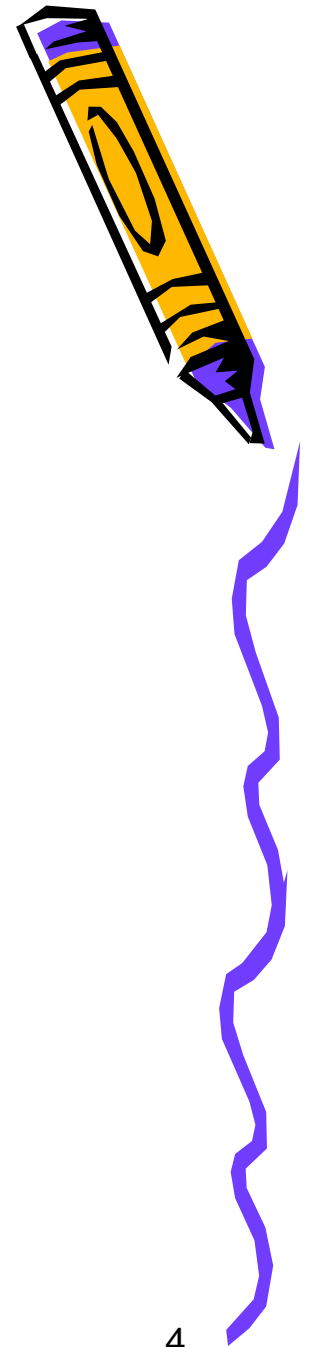

# Program Outline

- Key Objectives of Teaching and Education
- The Main Objective of Teaching and Education
- Variables in Effective Teaching
  - Student
  - Teacher
  - Classroom Atmosphere
  - Friends – Company
  - Family
  - School Administration (Board, Principle, et c.)

# Program Outline ...page 2

- Teacher Variables
  - Knowledge and Comprehension
  - Teaching Ability and Skills
  - Beliefs and Values about Teaching and Learning
  - Teaching Style
  - Communication Skills
  - Interpersonal Skills
  - Assessment Skills
- Key Principles of Effective Teaching

The workshop is interactive. Teachers are encouraged to participate. It is recommended that the participants prepare a list of their learning objectives in preparation for the workshop.

Individual meetings with the teachers after the workshop may be scheduled if necessary to give them an opportunity to discuss personal questions and issues of their classroom and the students.
