

Happy Marriage Healthy Families

By

Dr. Mohammed Sadiq

Part 1

Islamic Teachings about Human Creation, the Status of Men and Women, and the Nature of their Worldly Relationship

Part 2

Marriage -
The Beginning of a Family

Part 3

Ingredients of a Good Marital
Relationship, a Successful Marriage and
a Happy Family

Part 4

Causes of Marital Problems and Struggles between Men and Women

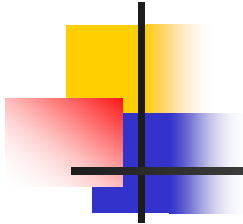

Part 5

Impact on Children and Extended Families

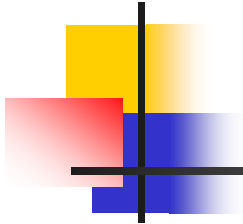

Part 6

Solutions for Marital Problems

This two-day workshop is designed for young adults who are planning to get married, those who recently got married, and the old timers alike, to learn about what does it take to make a happy marriage and a healthy family. It begins with the nature of men and women and their relationship, their strengths and weaknesses, and goes on to explaining and dealing with the problems that may occur in a marital relationship.
